Dear Frank:

Pursuant to my recent meeting with Eric Palazzo of the mayor's task force, it is his contention and also mine that we expand the scope of testing at Ciba-Geigy Chemical Company. Therefore, would you prepare a chart of the permit process such as a flow chart and, if any, appeal processes in the change of the flow chart.

I am inviting three additional speakers that evening, namely: Dr. James Quinn, Dr. James Lake and Dr. Richard Pruell.

Looking forward to seeing you on the 9th.

Sincerely yours,

Irving H. Levin
